Availability: Immediate

Full-Stack Developer with 2 years of hands on experience building scalable web applications using React, Node.js, and modern cloud technologies. Skilled in designing high-performance APIs, real-time systems, and responsive user interfaces. Proven ability to deliver production-ready features, solve complex technical challenges, and collaborate with cross-functional teams to ship reliable products.

SKILLS SUMMARY

- **Languages**: JavaScript (ES6+), TypeScript, HTML5, CSS3
- **Frontend Development**: React.js, Next.js, Redux Toolkit, React Query, Responsive Design, EJS, Tailwind CSS, MUI, Ant Design
- **Backend Development**: Node.js, Express.js, NestJS, RESTful APIs, Socket.IO, JWT Authentication
- **Databases & ORM**: MongoDB, PostgreSQL, MySQL, Prisma ORM, Mongoose
- **DevOps & Cloud**: AWS EC2, AWS S3, Vercel, Cloud Deployment, Git / GitHub
- **Tools, Testing & Build**: Postman, Swagger (OpenAPI), Git, GitHub, VS Code, ESLint, Prettier
- **Integrations & Libraries**: Stripe, Razorpay, Nodemailer, Cloudinary

WORK EXPERIENCE

MERN Stack Developer | Dignizant Technologies LLP **Mar 2026 – Sep 2026**

- Contributed to production applications across ERP/POS, insurance, and influencer collaboration domains using JavaScript and TypeScript.
- Worked on AksharPOS, an ERP and Point of Sale platform built with the MERN stack, contributing to application development and frontend functionality.
- Contributed to Subtraid Insurance backend using Node.js, Express.js, TypeScript, Prisma ORM, and SQL across a database of approximately 49 tables.
- Contributed to CreatorLink, an influencer collaboration platform backend built with NestJS, TypeScript, PostgreSQL, and Prisma, with 135+ APIs covering authentication, users, campaigns, chat, payments, notifications, and storage.
- Followed modular backend architecture and collaborated with the development team to build, maintain, and debug application features.

MERN Stack Developer Training | Brototype **Aug 2024 – Mar 2026**

- Built two industry-level full-stack(MERN) applications, including an e-commerce platform and a real-time doctor booking application.
- Developed projects under the guidance and code reviews of experienced industry professionals, following practical software development workflows and best practices.

C-Store Sales Attendant | ADNOC, Abu Dhabi, UAE **Jan 2021 – Jan 2023**

- Served international customers in a multicultural UAE environment while handling POS transactions, inventory responsibilities, and daily store operations.

PROJECTS

AksharPOS — ERP and Point of Sale Platform | LINK **Mar 2026 – Aug 2026**

- Contributed to the development of a cloud-based ERP/POS business platform during my employment at Dignizant Technologies LLP.
- Developed responsive ERP/POS interfaces using React.js, Redux Toolkit, and Ant Design; integrated RESTful APIs with Axios and managed application state using Redux Thunk to support efficient business workflows and real-time data updates.

  Key Technologies: JavaScript (ES6+) , React.js, Ant Design, SCSS, Axios, Redux Toolkit, Redux Thunk, ESLint

HomeCare — Real-Time Doctor Appointment System | LINK **Oct 2025 – Jan 2026**

- Built full-stack doctor appointment and slot-booking functionality with React.js, Node.js, Express.js, and MongoDB.
- Implemented real-time chat using Socket.IO and online payments using Stripe.
- Deployed the frontend on Vercel and the backend on AWS EC2.

  Key Technologies: React.js, Node.js, Express.js, MongoDB, Socket.IO, Stripe, AWS EC2, Vercel

Shoe Factory — E-Commerce Application | LINK **Mar 2025 – May 2025**

- Built a full-stack online shopping application with product browsing, cart, and order functionality.
- Integrated Razorpay for secure payments and Nodemailer for email notifications; deployed on AWS EC2.

  Key Technologies: Node.js, Express.js, MongoDB, EJS, Razorpay, Nodemailer, AWS EC2

EDUCATION

B.E. in Electronics and Communication Engineering | Coorg Institute of Technology **Jun 2012 – Jun 2016**

MERN Stack Developer Training | Brototype **Dec 2024 – Mar 2026**
